Re: Docketing Department – Docket Number 2009-12-S

Dear Chairman Fleming:

I am writing to request a Hearing to be held in Spartanburg County regarding a sewage rate increase for residents of the Brookside Village Subdivision in Wellford, South Carolina. I am told that a Hearing was scheduled for April 27, 2009, but it was cancelled.

It is my understanding that Aqua South Carolina, Inc., wants to raise the sewage rate by 108.45%. Many people in Brookside are on fixed, low or no income and their concerns must be heard; however, I also recognize the importance of utility companies increasing rates in order to continue to provide quality service.

Thank you for any consideration that can be given to this request. I look forward to hearing from you very soon on this matter.

Sincerely
